

## Kindle

### Browse, Check Out, Download

Assumption: You have a computer, a wireless network connection and a version of the Kindle e-reader (Not a Kindle Fire). These instructions can be used at home, the library or anywhere Wi-Fi is available.

1. On the computer's Internet browser navigate to the e-iNC website - <http://e-inc.lib.overdrive.com> - *There is a link from the FRL website (<http://fontanalib.org>).*
2. On the site, toward the top right side of the page, click **Sign In**.
3. On the drop-down list in the middle of the page, choose **Fontana Regional Library**.
4. Type in your 14 digit Fontana Regional Library card number. You arrive on the **My Account** page.
5. From the **My Account** page you may click the various headings to learn information about your account.
6. To begin browsing for e-books, click the **Digital Media Home** button.
7. From the **Digital Media Home** page, you may browse one of the various categories, or search for a particular title.
8. Once you find a title that you wish to download, click on the book cover and be certain to select the Kindle version of the title and click **Add to eBookBag**.
9. On the next page, you are informed that you may check the e-book out for 14 days. Click **Proceed to Checkout**.
10. The next screen gives you specific information regarding the number of checkouts on your account. Click **Confirm Check Out**.
11. On the download page, click **Get for Kindle**. Your browser opens a new window containing the Amazon.com website. Over on the upper right side of the page, look for and click on the yellow button that says **Get Library Book** (you may be asked to sign into your Amazon account). On the next screen when asked to choose the device you wish to download your new e-book to, choose Kindle, and click **Continue**. Note: the actual name of your Kindle device may vary; however, the word Kindle is in the title.
12. Do **not** click the **Download Now** button. The e-book is automatically delivered within seconds to your Kindle e-reader.
13. Follow numbers 7-11 to download up to four ebooks, for a total of 14 days.

## Kindle

### Returning Your eBook

Once you have finished reading your ebook, assuming you finished before your 14 day borrowing period is complete, we encourage you to return it to the e-iNC online library. This helps you by allowing you to download new titles to your e-reader, and helps others by giving them another selection from the e-iNC collection. Your Kindle ebook must be returned from the Amazon website. Follow the steps below to return your ebook.

1. Navigate to Amazon.com and sign in using your Amazon.com sign in information. The sign in is typically your email address and a password you set.
2. Click on **Your Account**. It is located on the right-hand side of the page at the top.
3. Now scroll down the page paying attention to the far left-hand column. Find **Digital Content** about halfway down the page. To the right of **Digital Content**, under **Digital Management**, click on **Manage Your Kindle**. You may have to sign in at this point, if you have not already done so.
4. You may have several titles listed on this page. The titles from e-iNC have **public library** in orange after the title. At the end of the line is a button named **Actions**. By clicking on the button, you may perform a number of tasks. One of the tasks is **Return this book**. Simply choose this option anytime you wish to return an ebook before the 14 day borrowing period is complete.
5. On the Kindle e-reader use the **up/down arrow** keys to select the ebook you just returned (when selected it will be underlined). Then click the **right arrow** key. A menu comes up with options for this ebook. Use the **up/down arrow** keys to select **Remove from Device** (when selected it will be underlined). Click the **OK** button (center of the square button).
